## Leadership

**Ahmad El Solh**  
General Manager,  
Government Services, GCC

Ahmad El Solh is the General Manager of Government Services, GCC, based at the International SOS office in Dubai since July 2023. Ahmad's primary focus is strengthening relationships with the U.A.E. Federal Government during his tenure with the company. He collaborates closely with key stakeholders within the U.A.E. Government responsible for overseeing International Patient Care and Patient Movement. Additionally, Ahmad works on matters related to the security and well-being of Emirati citizens worldwide, ensuring prompt assistance when they are in distress.

Ahmad El Solh brings over a decade of experience in healthcare and international relations to his role. His career journey includes positions in various healthcare organisations in the United States of America and the United Arab Emirates. In 2013, Ahmad started his career as an administrative fellow at the Cleveland Clinic in Cleveland, Ohio. He then moved on to work in Houston, Texas, at Baylor St. Luke's Medical College & Hospital, where he played a pivotal role in business development and relationship management for the MENA region, collaborating closely with GCC governmental partners to facilitate international patient care and enhance the hospital's presence in the GCC.

Subsequently, Ahmad relocated to Columbus, Ohio, where he initiated and led the international programme for Nationwide Children's Hospital, a prominent children's hospital ranked in the top 10 in the U.S. In this capacity, he also oversaw day-to-day operations at the international office and managed business development and relationship management for the GCC region.

In 2019, Ahmad joined NMC Healthcare, the largest private-sector healthcare provider in the U.A.E., as Senior Manager for Corporate and Government Affairs. He holds a bachelor's degree in international business and a master's degree in business administration with a concentration in healthcare management, both from Cleveland State University in Cleveland, Ohio.
