Introduction

Dubai Airport Freezone (DAFZ), a member of Dubai Integrated Economic Zones Authority (DIEZ), is a premier free zone strategically located within the boundaries of Dubai International Airport, offering a unique blend of accessibility, innovation, and business-friendly services. DAFZ caters to a diverse range of industries and provides an optimal environment for regional and international businesses seeking to establish or expand their operations in the Middle East.

In addition to its prime location and top-notch infrastructure, DAFZ offers several key initiatives that add significant value for businesses. These include Scalify Global, a one-stop solution that supports tech startups from their early stages through growth, and the Halal Trade & Marketing Center (HTMC), a global hub focused on the halal sector, offering services like certification, compliance advice, and Sharia-compliant financing. DAFZ also hosts Tradeling, an innovative tech company building the leading B2B eMarketplace in the MENA region. Together, these initiatives provide essential resources and cutting-edge technology, helping businesses thrive in diverse markets and making DAFZ a strategic choice for companies aiming for growth and success.

DAFZ's commitment to fostering innovation, supporting diverse industries, and providing tailored solutions makes it the ideal destination for companies looking to establish a strong presence in one of the world's most dynamic and rapidly developing regions. Whether you are a multinational corporation or a growing enterprise, DAFZ offers the perfect platform to thrive, with a comprehensive range of services designed to ensure seamless operations and sustainable growth.
